第一章 总则

Chapter 1 General Provisions

第一条 为保障郑州商品交易所（以下简称交易所）商品期货交割业务的正常进行，规范标准仓单及中转仓单的管理，根据《郑州商品交易所交易规则》，制定本办法。

Article 1 These measures are formulated subject to the Trading Rules of Zhengzhou Commodity Exchange for the purposes of ensuring the normal operation of futures delivery and standardizing the management of standard warrants and transit warehouses warrants in Zhengzhou Commodity Exchange (hereinafter referred to as ZCE).

第二条 标准仓单及中转仓单的注册、流通和注销等业务，按本办法执行。

Article 2 The registration, circulation and deregistration of standard warrants and transit warehouse warrants in ZCE shall comply with the measures herein.

第三条 交易所、会员、客户、指定商品交割仓库（以下简称仓库）、指定商品交割中转仓库（以下简称中转仓库）、指定商品交割厂库（以下简称厂库）及指定质检机构（以下简称质检机构）办理与标准仓单及中转仓单有关的各项业务，应当遵守本办法。

Article 3 ZCE, members, clients, designated warehouses (hereinafter referred to as warehouse), designated transit warehouses (herein after referred to as transit warehouses), the designated delivery factories (hereinafter referred to as factories) and designated inspection institutions (hereinafter referred to as inspection institutions) shall conform to the measures herein to conduct business concerning standard warrants and transit warehouse warrants.

第二章 标准仓单及中转仓单

Chapter 2 Standard Warrants and Transit Warehouse Warrants

第四条 标准仓单是指仓库或厂库按照交易所规定的程序提交仓单注册申请后，经交易所注册，可用于证明货主拥有实物或者可予提货的财产凭证。

Article 4 A standard warrant shall refer to a unified physical delivery certificate, which is registered in ZCE to certify that the owner has commodities or could deliver commodities after submitting the application for registration by warehouses or factories according to the process prescribed by ZCE.

根据申请注册的主体不同，标准仓单分为仓库标准仓单（以下简称仓库仓单）和厂库标准仓单（以下简称厂库仓单）两种。

According to different applicants of registration, standard warrants can be classified into standard warrants of warehouse (hereinafter referred to as warehouse warrants), standard warrants of factory (hereinafter referred to as factory warrants).

第五条 中转仓单是指中转仓库按照交易所规定的程序提交仓单注册申请后，经交易所注册，用于证明货主拥有实物或者可予提货的财产凭证。

Article 5 A transit warehouse warrant shall refer to a unified physical delivery certificate, which is registered in ZCE to certify that the owner has commodities or could deliver commodity after submitting the application for registration by warehouses or factories according to the process prescribed by ZCE.

中转仓单所对应的货物从中转仓库运至仓库后，经验收合格可转为标准仓单。

When commodities of transit warehouse warrants are transported from transit warehouses to warehouses and are qualified in inspection, these warrants can be changed into standard warrants.

第六条 交易所通过计算机系统办理标准仓单的注册、交割、转让、充抵保证金和注销等业务。

Article 6 ZCE shall handle the registration, delivery, transfer, paying margins, and deregistration of standard warrants through its exchange terminal.

会员或客户使用标准仓单及中转仓单向商业银行等第三方提供担保的，须向交易所办理标准仓单及中转仓单质权登记手续。未经交易所办理质权登记的，不得约

束其他会员或客户等第三人。

In case that brokerage members or clients use standard warrants and transit warehouse warrants to provide commercial banks or other third parties with guarantee, they shall be required to go through the registration procedure of the pledge rights of standard warrants in ZCE. Otherwise, they shall not restrict other brokerage members, clients or other third parties.

会员或客户在开通质权登记及质权行使通道的商业银行将标准仓单及中转仓单质押后，经交易所批准，可在该银行的质权登记及质权行使通道下，建立不超过质押标准仓单及中转仓单数量的空头头寸。该头寸只能进行实物交割，不得平仓，但因交易所监管需要专项批准的除外。

The members and clients can pledge the standard warrants and transit warehouse warrants in the commercial banks, where registration and exercising channels of the pledge rights are opened. Then they can establish short positions, which shall not exceed the amount of the pledged standard warrants and transit warehouse warrants after the approval of the ZCE. The established short positions shall not be liquidated and shall only be kept for physical delivery except for those needed ZCE approval because of supervision.

在交易所开通标准仓单及中转仓单质权登记及质权行使通道的商业银行，出现会员或客户到期未归还仓单质押贷款时，可通过转让仓单或建立对应期货空头头寸以交割等方式处置质押仓单；增值税专用发票的流转按照《郑州商品交易所期货交割细则》相关规定处理。

For commercial banks which open registration and exercising channels of the pledge rights of standard warrants and transit warehouse warrants in ZCE, they can dispose pledged warrants by circulation, or open corresponding short positions for delivery if brokerage members or clients do not repay the pledged loan before the deadline; the flow of value-added tax invoices shall be handled according to the relevant regulations in ZCE.

第七条 仓库标准仓单及中转仓单的生成包括交割预报、入库验收、质量检验、仓库申请注册及交易所办理注册等环节。

Article 7 The generation of warehouse standard warrants and transit warehouse warrants shall include procedures of notice of intention to deliver, inspection for entering the warehouse, application for registration by warehouses and registration in ZCE.

厂库标准仓单的生成包括厂库申请注册及交易所办理注册等环节。

The generation of factory standard warrants shall include the procedures of factory's

applying for registration in ZCE and ZCE's handling the application for registration.

经交易所注册的标准仓单，方可适用于与期货相关的业务。

The standard warrants registered in ZCE shall be applicable to the business relating to futures.

第八条 标准仓单根据流通性质不同，分为通用标准仓单和非通用标准仓单两种。

Article 8 According to the different circulation, standard warrants shall be classified into common standard warrants and uncommon standard warrants.

仓库或厂库向标准仓单持有人承担质量及数量责任。标准仓单流通转让的，其载明货物的权利及风险相应转移。

Warehouse or factory shall take responsibilities for quality and quantity of designated commodities of the owner of standard warrants. The rights and risk of commodities mentioned in the standard warrants shall be transferred accordingly once they have been circulated.

第九条 通用标准仓单是指标准仓单持有人按照交易所的规定和程序可以到仓单载明品种所在的任一仓库或厂库选择提货的财产凭证。

Article 9 Common standard warrant shall be defined as the property certificate which grants rights of holders to pick up commodities at any warehouses or factories in accordance with the rules and procedures of ZCE.

适用通用标准仓单的品种包括小麦、PTA、菜油、菜粕、早籼稻、晚籼稻、甲醇、玻璃、白糖。

Products which apply to the common standard warrants include: wheat, PTA, rapeseed oil, rapeseed meal, early indica rice, late indica rice, methanol, glass, and white sugar.

通用标准仓单载明的内容包括：会员号、会员名称、客户交易编码、品种、标准仓单数量、冻结数量、充抵数量等。

The content of common standard warrant shall include: member's number and name, client's trading code, product, the quantity of standard warrant, frozen quantity and the amount used to offset margins of standard warrant.

第十条 非通用标准仓单是指标准仓单持有人按照交易所的规定和程序只能到仓单载明品种所在的仓库或厂库提取所对应货物的财产凭证。

Article 10 Uncommon standard warrant shall be defined as the property certificate with which holders could only pick up commodities at designated warehouses or factories stated on the standard warrants conforming to the rules and procedures of ZCE.

适用非通用标准仓单的品种为棉花、菜籽、动力煤、粳稻、甲醇、玻璃、白糖、硅铁、锰硅。

The products which apply to the uncommon standard warrants include: cotton, rapeseed, thermal coal, japonica rice, methanol, glass, white sugar, ferrosilicon and manganese silicon.

非通用标准仓单载明的内容包括：会员号、会员名称、客户交易编码、品种、标准仓单数量、仓库或厂库、检验时间、标准仓单编号、冻结数量、充抵数量等。

The content of uncommon standard warrant shall include: member's number and name, client's trading code, product, quantity of standard warrants, warehouse or factory, inspection time, the serial number of standard warrant, frozen quantity, and the quantity used to offset margins.

第三章 仓库仓单及中转仓单的交割预报

Chapter 3 Delivery Notice of Warehouse Warrants and Transit

Warehouse Warrants

第十一条 客户或者非期货公司会员向仓库发货前，应当由会员填写《交割预报单》，并以书面形式或者交易所认可的其他形式向仓库预报。

Article 11 Brokerage members shall fill in Delivery Notice Form and inform the warehouse in written form or other ways approved by ZCE before clients or non-brokerage members deliver commodities to the warehouses.

预报数量较大的，交易所可以要求货主提供拥有商品的相关证明。特殊情况下，交易所可以要求仓库优先批准有近期月份持仓的交割预报。

In case of delivery notice for large volume delivery, ZCE could request the owner to provide relevant supporting documents about the commodities. Under special circumstances, ZCE could require the warehouse to approve the delivery notice of recent months' positions in priority.

第十二条 自接到会员《交割预报单》之日起 2 个工作日内，仓库应当以书面形式或者交易所认可的其他形式回复会员能够接收的商品数量。自接到仓库同意入库的回复之日起 2 个工作日之内，会员应当向仓库缴纳 30 元/吨的交割预报定金。仓库在收到交割预报定金的当日（工作日），开具《入库通知单》。

Article 12 Within 2 working days after receiving the Delivery Notice Form from member, warehouses shall confirm the available quantity of commodities to the member in written form or other forms approved by ZCE. Then within 2 working days after receiving the reply of approval for warehouse entry, the member shall pay an entry deposit to warehouses of 30 yuan/ metric ton. On the same day (working day) of receiving the deposit, warehouses shall issue the Entry Notice.

对已存放在仓库的商品申请期货交割的，仍应提交交割预报，无须交付交割预报定金。

As to applying for delivery of commodities which have already been stored in the warehouses, the form of delivery intention shall also be required to submit, but the entry deposit can be exempted.

《入库通知单》自开具之日起生效。

Entry Notice shall be effective since the issuing day onwards.

第十三条 《入库通知单》有效期（公历日）分别为：

Article 13 The valid period of Entry Notice (calendar day) shall be as following:

（一）仓单普通小麦（以下简称仓单普麦）、优质强筋小麦（以下简称强麦）、菜籽、菜油、早籼稻、晚籼稻、粳稻、甲醇、硅铁、锰硅为 40 天。

(1) 40 days for warrant common wheat, high quality strong gluten wheat (hereinafter referred to as strong gluten wheat), rapeseed, rapeseed oil, early indica rice, late indica rice, japonica rice, methanol, ferrosilicon, and manganese silicon.

（二）一号棉仓库为 40 天、中转仓库为 15 天。

(2) 40 days for cotton No. 1 warehouses, 15 days for transit warehouses.

(3) From November 1st of each year to April 30th of the next year, 15 days (calendar day) for the warehouses of white sugar in main producing areas approved by ZCE (Guangdong, Guangxi and Yunnan), and 40 days for the rest of time and other regions of warehouses.

(四) 精对苯二甲酸(以下统称 PTA)为 15 天。

(4) 15 days for Pure Terephthalic Acid (hereinafter referred to as PTA).

交易所可视情况, 调整《入库通知单》的有效期。

ZCE may adjust the validity period of Entry Notice due to different conditions.

第十四条 《入库通知单》有效期内相对应数量的商品全部到库的, 自商品入库完毕之日起 2 个工作日内, 交割预报定金予以返还; 部分到库的, 按实际到货量返还; 未到库部分, 交割预报定金不予返还。

Article 14 In case that the entry process of commodities has been completed within the validity period of Entry Notice, the deposit shall be refunded within 2 working days after the completion of entry; in case that only part of commodities has been completed the process, the deposit shall be refunded as to the actual entry quantity; the deposit for the part that is not stocked in shall not be refunded.

第十五条 交易所公告暂停仓库入库业务的, 自公告之日(含该日)下午闭市起, 该仓库发生的交割预报视为无效预报, 交易所不再受理相关商品的仓库仓单注册申请。

Article 15 In case that ZCE announces that the entry business of any warehouse shall be suspended, the delivery notice made to this warehouse shall be deemed invalid from the market close of the announcing day (including the day), and ZCE shall not accept any application for the registration of warehouse warrants of relevant commodities.

第十六条 货主应当按交易所有关规定向仓库交纳各项费用。

Article 16 The owners of commodities shall pay all relevant fees to warehouses in accordance with relevant regulations of ZCE.

第十七条 办理完交割预报的货主发货前，须将运输方式、车（船）号、数量、到货时间等通知仓库。

Article 17 Before the consignment, the owners of commodities who have completed the delivery notice process shall notify the way of transport, vehicle (boat) number, quantity and arrival time to warehouses.

第四章 仓库仓单及中转仓单的商品入库

Chapter 4 Entry of Warehouse Warrants and Transit Warehouse

Warrants

第十八条 交割商品入库时，商品的重量、包装相关单证等的验收及扦（采）样由仓库按照本办法的规定实施，货主应到场监督，验收结果须经双方认可。仓库、货主应对验收结果签章确认，并共同对入库商品的真实性负责。入库商品未经仓库、货主签章确认的，不得用于期货交割。

Article 18 When the delivery commodities enter the warehouse, the check and acceptance of the weight of commodities, documents with respect to package and the sampling shall be executed by warehouse according to the regulations of these measures. The owner shall supervise at the scene, and the result of check and acceptance shall be recognized with agreement by both parties. Warehouse and the owner shall confirm the result of the checking and acceptance with signature and shall be responsible for the authenticity of commodities being warehoused. For the commodities that are not confirmed by warehouse and the owner, the commodities shall not be used for futures delivery.

棉花样品的扦取由承检机构实施，仓库应当予以协助配合。仓库及货主有权对样品扦取进行监督。

The sampling of cotton shall be carried out by inspection institutions. Warehouses

shall grant their assistance and cooperation during inspection. Warehouses and owners of commodities shall have the right to supervise the sampling.

第十九条 入库商品质量指标由质检机构检验的，自接到检验结果之日起 1 个工作日内，仓库应当对检验结果进行确认并通知客户。

Article 19 In case that the qualities of commodities are inspected by inspection institutions, warehouses shall confirm the inspection results and notify clients within 1 working day after receiving the results.

第二十条 交易所认可的免检商品和适用非通用标准仓单的商品入库后，仓库应当对货主的名称、联系人及联系方式、商品数量、生产厂家、存放库房及垛位等事项登记造册，并由货主签字确认。

Article 20 After the commodities that are exempted from inspection by ZCE and apply to uncommon standard warrants enter the warehouse, warehouses shall register relevant information such as the name of owner, contact persons and information, quantity of commodities, manufacturers, storehouses and stacks. All information shall be confirmed by the owners of commodities with signatures.

第二十一条 入库商品质量检验结束后，检验单位将检验报告以数字认证方式上传至交易所仓单注册注销系统。由质检机构检验的，质检机构应当及时将检验报告寄送仓库或由仓库领取。货主或者仓库业务急需的，质检机构可先行告知检验结果。

Article 21 After completing the inspection for commodities being warehoused, inspection institution shall upload the inspection report to ZCE E-warrant System via digital authentication. In case that commodities are inspected by inspection institutions, inspection institutions shall send the inspection report to the warehouse timely or notify the warehouse to draw. In case that they are urgently needed by the owner or the operation of warehouse, inspection institutions can notify the inspection result beforehand.

第一节 小麦入库

Section 1 Entry of Wheat

第二十二条 仓单普麦、强麦重量验收应当在库内整车过地磅，强麦不同品种须分开储存，不得混存。

Article 22 The weight inspection of common wheat and strong gluten wheat shall

adopt the method of passing the weighbridge in the warehouse with the whole truck. Different kinds of strong gluten wheat shall be reserved separately and shall not be mixed.

第二十三条 强麦入库质量检验由交易所组织实施。强麦降落数值、稳定时间、拉伸面积和湿面筋指标由质检机构检验；其他质量指标由仓库或质检机构检验。

Article 23 The inspection of strong gluten wheat shall be organized and carried out by ZCE. The hag berg, stability time, extension area and wet gluten index of strong gluten wheat shall be inspected by inspection institutions; other quality indexes shall be inspected by delivery warehouses or inspection institutions.

仓单普麦入库质量检验由交割仓库组织实施，入库检验样品由交割仓库在卸车前抽取，检验结果不符合交割质量标准的不允许注册。入库过程中发现不符合交割质量标准的部分不允许注册。

The quality inspection of common wheat when applying for entering into warehouse shall be organized and implemented by delivery warehouse. Samples of entry inspection shall be collected before unloading. Goods which cannot meet delivery quality standards shall not be allowed to be registered. The portion failing to meet the delivery quality standards in the process of entry shall not be registered.

需由质检机构检验的强麦质量指标，样品由交割仓库扦取，交易所、客户到场监督。客户未到场监督的，视为对扦样无异议。样品扦取后由交易所进行封样，并寄（送）质检机构。

As to the quality indexes of the strong gluten wheat that need to be inspected by inspection institutions, the sampling shall be done by delivery warehouses, and ZCE and clients shall be present for supervision. If clients are not present, it shall be deemed that they agree with the sampling. After the sampling, ZCE shall seal the samples and mail (send) them to inspection institutions.

质检机构作出的检验结论为强麦入库质量检验的最终结果，不予复检。

The inspection conclusions made by inspection institutions shall be the final results for the inspection of strong gluten wheat's entry, and re-inspection shall not be allowed.

强麦样品的检验时间由交易所公告。

The inspection time for sampling of strong gluten wheat shall be announced by ZCE.

Article 37 Weight checking and acceptances: the net weight of each bag of PTA shall be 1 metric ton, 1.1 metric ton or other weight announced by ZCE. The method of random inspection may be used independently or together with the method of weighing the whole vehicle with weighbridge.

第三十八条 PTA 质量检验按每 550 吨一个样品抽取；不足 550 吨的按 550 吨计。样品一式三份，双方封样后寄（送）质检机构两份。自收到每批样品之日起 5 个工作日内，质检机构应当出具检验结果并通知仓库。

Article 38 One sample for each 550 metric tons of PTA shall be taken for inspection; those samples which are less than 550 metric tons shall be counted as 550 ton. Samples shall be taken in triplicate and two of them shall be mailed (sent) to inspection institutions after being sealed by both parties. After receiving the samples for each batch, inspection institutions shall issue the inspection results and notify warehouses within 5 working days.

免检交割品牌生产厂家直接申请入库的，入库 PTA 质量可以免检；货主向交易所和仓库提交指定生产厂家出具符合交易所要求的产品质量责任承诺书及相关材料的，入库 PTA 质量可以免检。

Exemption delivery brand manufacturers directly apply for entry to the warehouse, the quality of PTA can be given an exemption from the inspection. If the owners of commodities submit to ZCE and warehouses the guarantee of quality responsibility issued by the designated manufactory which conforms to the relevant requirements of ZCE and other relevant documents, the inspection of PTA could be exempted.

第五节 菜籽入库

Section 5 Entry of Rapeseed

第三十九条 菜籽重量验收采取在仓库内整车过地磅方式进行。

Article 39 The weight inspection of the rapeseed shall adopt the method of weighing the whole vehicle with weighbridge in the warehouse.

第四十条 入库质量检验由仓库负责。

Article 40 The warehouse shall be responsible for entry inspection.

仓库可全部或部分委托质检机构进行检验，检验费用由仓库承担。

The warehouse can consign inspection institute with all or part of the inspection. The warehouse shall bear the inspection fee.

第四十一条 入库菜籽采用仓房内堆放方式储存。不同客户入库的菜籽不允许混存。

Article 41 The storage rapeseed shall be stored by stacking in the warehouse. The storage rapeseed belongs to different clients shall not be mixed.

第四十二条 入库检验样品由仓库在卸货前抽取，检验结果不符合交割质量标准的不允许注册。

Article 42 The sample for entry warehouse inspection shall be taken by the warehouse before unloading. The rapeseed shall not be allowed to be registered if the inspection results do not reach the deliverable quality standards.

每次抽取样品就库分为二份，每份 1 公斤。仓库任选一份用于检验；另一份由货主和仓库签字封样，由仓库妥善保存。

Two samples shall be taken at one time; the weight of each sample shall be 1 kg. Warehouses may choose either one for inspection and the other sample shall be sealed and signed off by both the owners of commodities and warehouses and well kept by warehouses.

第四十三条 货物入库时，达不到交割质量标准的商品，经双方协商，仓库可提供整理等服务。

Article 43 When the commodity is warehoused, as for rapeseed which does not reach deliverable quality standards, the warehouse could provide services like arrangement according to the agreement by both parties.

第四十四条 自每批货物样品抽取结束时起，仓库应于 24 小时内做出检验结果，并及时通知货主。

Article 44 From the time when each batch of commodity samples is taken, the warehouse shall complete the inspection within 24 hours and notify the owner of inspection results in time.

第六节 菜油入库

Section 6 Entry of Rapeseed Oil

第四十五条 菜油运输必须符合国家卫生标准规定。

Article 45 The transport of rapeseed oil shall conform to the rules of the national sanitation standards.

第四十六条 入库菜籽油应当提供加盖生产厂家公章的《产品生产许可证》(复印件)和《食品卫生许可证》(复印件)以及随货同行的产品化验单。

Article 46 The Production License (duplicated), Food Sanitation License (duplicated) sealed by manufacturer and the corresponding laboratory test bill of products shall be provided when rapeseed oil enters factory,

产品化验单中须载明产品名称、产地(包括原产国)、压榨或者浸出、产品执行标准、等级、是否转基因产品及编号等。

Such items as name and origin (including country of origin) of product, squeezing or leaching, implemented standards applied to the product, the grade of product, whether it is transgenic and serial number of the product shall be stated in the laboratory test bill.

第四十七条 采用汽车运输的,菜油重量验收以地磅计量为准;采用火车运输的以火车罐打尺或者储油罐打尺计量为准;采用船舶运输的,以过磅或者储油罐打尺计量为准。

Article 47 In case that rapeseed oil is transported by trucks, its weight check and acceptance shall take weighbridge as the criterion; if rapeseed is transported by trains, the criterion shall be the measure of the tank container or oil tank; in case the rapeseed is transported by vessels, the criterion shall be the weighbridge or the measure of oil tank.

经交易所批准,菜油重量验收可以使用质量技术监督部门认可的其他先进衡器计量。

With the approval of ZCE, the weight check and acceptance of rapeseed oil can use other advanced weighing measures admitted by the department of quality and technology supervision.

第四十八条 菜油运达仓库时，质量检验样品由仓库在卸货前扦取。每次扦取的样品分为两份，每份不低于 1 公斤。仓库任选一份用于检验，另一份由货主和仓库签字封样，由仓库妥善保存。

Article 48 Upon the arrival of rapeseed oil at warehouses, the samples for inspection shall be taken by warehouses before unloading. Two samples shall be taken at one time; the weight of each sample shall not be less than 1 kg. Warehouses may choose either one for inspection and the other sample shall be sealed and signed off by both the owners of commodities and warehouses and well kept by warehouses.

入库菜油的质量检验和掺伪检验由仓库负责。仓库可全部或者部分委托经国家质量技术监督部门认证的质检机构进行检验，检验费用由仓库承担。

Warehouses shall be responsible for the inspection and fake/mixture inspection of stocked rapeseed oil. Warehouses may consign all or part of the inspections to inspection institutions authenticated by the department for quality and technology supervision of the State, the inspection fee shall be paid by warehouses.

自每批商品样品扦取结束时起，仓库应当于 48 小时内提供检验结果，并及时通知货主。

Once each batch of sampling is completed, warehouses shall provide the inspection results and notify owners timely within 48 hours.

第四十九条 对检验合格的菜油，仓库应当按商品到库先后安排储油罐，并于检验报告出具之日起 5 个工作日内入库完毕。

Article 49 For rapeseed oil that have passed inspection, warehouses shall arrange oil tanks in accordance with the order of arrival and shall complete the entry process within 5 working days after the inspection report issued.

转基因菜油应当与非转基因菜油分罐储存。入库客户未在交割预报单中注明菜油是否转基因产品，导致转基因菜油和非转基因菜油混罐储存的，由此引起的法律责任由该客户承担。责任主体以入库时仓库保留的样品确定。

Transgenic rapeseed oil and non-transgenic rapeseed oil shall be stored in oil tanks separately. In case any client fails to state whether rapeseed oil is transgenic product or not in the delivery forecast, which leads to the mixture storage of transgenic rapeseed oil and non-transgenic rapeseed oil, the legal liability for any impact shall be borne by the clients. The subject of liabilities shall be ascertained by the sample kept

by warehouses upon the entry.

菜油储油罐必须符合国家卫生标准规定。

Oil tanks of rapeseed oil for stored-in shall conform to the national sanitation standards.

第五十条 货主应当保证入库菜籽油符合国家卫生标准。混罐储存的菜油不符合国家卫生标准的，根据入库时仓库保留的样品确定责任主体。

Article 50 The owners of commodities shall ensure that the stocked rapeseed oil conforms to national sanitation standards. In case mixed rapeseed oil does not conform to national sanitation standards, the subject of liabilities shall be ascertained by the sample kept by warehouses upon the entry.

第五十一条 入库过程中和标准仓单注册前发现有下列情况之一的，仓库应当拒绝转存为期货交割商品，并及时通知会员或者货主：

Article 51 In case that warehouses discover one of the following conditions for the entry of rapeseed oil or before the registration of warehouse warrants, they shall refuse to store as commodities for futures delivery, and shall timely notify members or the owners of commodities:

（一）掺伪的菜油；

(1) Rapeseed oil adulteration;

（二）菜油运输工具不符合国家规定；

(2) The transport vehicles do not conform to national rules;

（三）入库菜油不符合交易所其他交割规定的。

(3) The stocked rapeseed oil does not conform to other delivery regulations of ZCE.

第七节 菜粕入库

Section 7 Entry of Rapeseed Meal

第五十二条 菜粕重量验收采取在仓库内整车过地磅方式进行。

Article 52 The weight inspection of the rapeseed meal shall adopt the method of weighing the whole vehicle with weighbridge in the warehouse.

第五十三条 入库质量检验由仓库负责。检验结果不符合交割质量标准的不允许注册。入库过程中发现不符合交割质量标准的部分不允许注册。

Article 53 The warehouse shall be responsible for entry inspection. The rapeseed oil shall not be allowed to be warehoused if the inspection results do not reach the deliverable quality standards. The portion failing to meet the delivery quality standards in the process of entry shall not be registered.

第五十四条 检验原则上以垛为单位进行抽样，对同一厂家生产的同一批次的商品，以不超过 200 吨为单位进行抽样。

Article 54 As to the same batch of commodity produced by the same factory, sampling shall be conducted with a stack not beyond 200 metric tons as a unit in principle.

每次抽取样品就库分为二份，每份 1 公斤。仓库任选一份用于检验；另一份由货主和仓库签字封样，由仓库妥善保存。

Two samples shall be taken at one time; the weight of each sample shall be 1 kg. Warehouses may choose either one for inspection and the other sample shall be sealed and signed off by both the owners of commodities and warehouses and well kept by warehouses.

第五十五条 自每批货物样品抽取结束时起，仓库应于 24 小时内做出检验结果，并及时通知货主。

Article 55 As of the time when each batch of commodity samples is taken, the warehouse shall complete the inspection within 24 hours and notify the owner of inspection results in time.

第八节 早籼稻、晚籼稻、粳稻入库

Section 8 Entry of Early Indica Rice, Late Indica Rice and Japonica Rice

第五十六条 货物重量验收采取在仓库内整车过地磅方式进行。

Article 56 The method of weight check and acceptance of early indica rice shall adopt the method of loading the vehicle (s) and weighing it (them) with weighbridge in the

warehouse .

第五十七条 入库质量检验由仓库负责。

Article 57 The warehouse shall be responsible for entry inspection.

仓库可全部或部分委托质检机构进行检验，检验费用由仓库承担。

The warehouse can consign inspection institute with all or part of the inspection. The warehouse shall bear the inspection fee.

第五十八条 卫生检验按国家有关标准和规定执行，检验费用由货主承担。

Article 58 Sanitary inspection shall be carried out in accordance with relevant rules and regulations. The owners of the commodities shall bear the inspection fee.

第五十九条 入库检验样品由仓库在卸货前抽取，检验结果不符合交割质量标准的不允许注册。

Article 59 The sample for entry warehouse inspection shall be taken by the warehouse before unloading. The early indica rice or japonica rice shall not be allowed to be entered if the inspection results do not reach the deliverable quality standards.

第六十条 货物入库时，达不到交割质量标准的商品，经双方协商，仓库可提供整理等服务。

Article 60 When the commodity is warehoused, as to early indica rice or japonica rice which does not reach deliverable quality standards, the warehouse could provide services like arrangement according to the agreement by both parties.

第六十一条 自每批货物样品抽取结束时起，仓库应于 24 小时内做出检验结果，并及时通知货主。

Article 61 As of the time when each batch of commodity samples is taken, the warehouse shall complete the inspection within 24 hours and notify the owner of inspection results in time.

第九节 甲醇入库

Section 9 Entry of Methanol

第六十二条 甲醇运输必须符合国家关于危险化学品运输的规定。

Article 62 The transportation of Methanol shall conform to relevant regulations for the transportation of dangerous chemicals.

第六十三条 入库货物单证及货主危险化学品经营资质由仓库负责审验。

Article 63 The warehouse shall be responsible for verifying the bill of entry of commodity and the owner's business qualification of dangerous chemicals

境内生产的甲醇申请入库的，应当向仓库提交本批甲醇生产厂家出具的符合交割标准的《产品质量证明书》。《产品质量证明书》须载有生产厂家、生产日期、适用的质量标准和该批产品的质量检验结果等信息。

For the domestics produced Methanol applying for entry, the Product Quality Certificate provided by the manufacturer of the batch of Methanol shall be submitted to the warehouse to certify that the commodity has met the delivery standards. Product Quality Certificate shall include the information such as the manufacturer, production date, applicable quality standards, and the inspection results of the batch of products.

境外生产的甲醇申请入库的，应当向仓库提交本批商品的船运证明、进口货物报关单、生产厂家出具的《产品质量证明书》等材料的复印件、海关放行单原件。商品所有人应当对所提供的单证签署《进口甲醇单证合法、真实、有效保证书》。

For the imported Methanol applying for entry, the shipping certificate, declaration of imported goods, copies of the documents provided by manufacturer like Product Quality Certificate and the original of customs clearance papers shall be submitted to the warehouse. The owner of commodities shall sign on the Guarantee of the Legal, Authentic and Valid Documents of Imported Methanol for the documents provided by it.

第六十四条 重量验收：采用汽车运输的，以地磅计量为准，由仓库负责验重；采用火车、船舶运输的，以仓库储罐打尺计量为准。货主可以委托质检机构或者仓库验重，由质检机构验重时，仓库应予以配合，由此产生的费用由货主承担。

Article 64 Weight check and acceptance: The Methanol transported by truck shall be subject to the measure of weighbridge, and the warehouse shall be responsible for the check and acceptance of weight; the Methanol transported by train or ship shall be subject to the measure of the ruler of the storage tank of the warehouse. The owner can consign the inspection institute or the warehouse with the weight check and acceptance. In case that it is conducted by the inspection institute, the warehouse shall cooperate and the owner shall bear the expenses incurred thereby.

经交易所批准，甲醇重量验收可以使用国家质量技术监督部门认可的其他先进衡器计量。

The weight check and acceptance of the Methanol can use other advanced weighing apparatus approved by the national administration of quality and technology supervision if it is approved by ZCE.

第六十五条 质量验收：入库甲醇的采样、质检由质检机构负责，仓库应予协助，由此产生的费用（不含仓库配合费用）由货主承担。

Article 65 Quality check and acceptance: Inspection institute shall be responsible for the sampling and inspection of the entry of Methanol, and the warehouse shall give assistance. The owner shall bear the costs and expenses (excluding the expenses incurred by the cooperation of the warehouse).

已经入库的甲醇，货主能够提供质检机构出具的该货物符合期货交割标准的检验报告，经仓库认可，可以申请注册仓单。

As to the Methanol which has been warehoused, if the owner can provide the inspection report issued by the inspection institution to certify that the commodities have been complied with the delivery standards, the owner can apply for the registration of the standard warrants after getting approval by the warehouse.

对期货、现货混罐存储的甲醇，仓库必须确保整罐货物符合期货交割标准的规定，不符合规定的，不允许混罐存储或申请注册仓单。

As to the Methanol which is stored in the mixed tanks for physicals and futures, the warehouse shall ensure that the entire tanks of commodity conform to the regulations of delivery standards. Those which do not conform to the regulations shall not be allowed to store in mixed tanks or to apply for the registration of the standard warrants.

第六十六条 自完成采样之日起3个工作日内，质检机构应当出具检验结果，并及时通知仓库。

Article 66 After the completion of sampling, the inspection shall issue the inspection results and notify the warehouse within 3 working days.

第十节 硅铁入库

Section 10 Entry of Ferrosilicon

第六十七条 硅铁入库时，货主应当向仓库提交本批硅铁生产厂家出具的《质量证明书》。《质量证明书》须载有生产厂家、生产（出厂）日期、适用的质量标准和该批产品的质量检验结果等信息。

Article 67 When ferrosilicon applies for entry, the owner shall submit the Product Quality Certificate by manufacturer of this batch of ferrosilicon. Product Quality Certificate shall include the information such as the manufacturer, production date, applicable quality standards, and the inspection results of the batch of products.

硅铁入库时，包装物应干燥、结实耐用、适宜储存。

When ferrosilicon applies for entry, the package shall be dry, durable and suitable for storage.

硅铁生产（出厂）日期超过 30 天的不允许入库。

Ferrosilicon with the production date exceeding 30 days shall not be allowed to enter the warehouse.

硅铁有粉化现象的不允许入库。

Powdering ferrosilicon shall not be allowed to enter the warehouse.

第六十八条 重量验收采用过地磅方式进行。

Article 68 The weight inspection shall adopt the method of weighing the whole vehicle with weighbridge in the warehouse.

第六十九条 质量验收：入库硅铁的采样、制样、质检以及粒度检测由质检机构负责，按有关国家标准执行，仓库应予协助，质检机构检验费用及相关仓库配合检验费用由货主承担。

Article 69 Quality check: Inspection institute shall be responsible for the sampling, sampling preparation, inspection and particle size measurement in accordance with national standards. Warehouse shall give assistance. The owner shall bear the costs and expenses caused by institution inspection and warehouse assistance.

第七十条 自完成采样之日起 7 个工作日内，质检机构应当出具检验结果，并及时通知仓库。

Article 70 After sampling, the inspection shall issue the inspection results and notify the warehouses within 7 working days.

第七十一条 硅铁包装因取样损坏的，仓库应按相应国家标准重新灌包，所需包

装物由客户提供，灌包费用由客户承担。

Article 71 In case that the package is damaged in the process of sampling, the warehouse shall repackage it in accordance with national standard. The required package shall be provided by client and the cost shall be borne by the client.

第十一节 锰硅入库

Section 11 Entry of Manganese Silicon

第七十二条 锰硅入库时，货主应当向仓库提交本批锰硅生产厂家出具的《质量证明书》。《质量证明书》须载有生产厂家、生产（出厂）日期、适用的质量标准和该批产品的质量检验结果等信息。

Article 72 When manganese silicon applies for entry, the owner shall submit the Product Quality Certificate by manufacturer of this batch of manganese silicon. Product Quality Certificate shall include the information such as the manufacturer, production date, applicable quality standards, and the inspection results of the batch of products.

锰硅入库时，包装物应结实耐用，适宜存储。

When manganese silicon applies for entry, the package shall be dry, durable and suitable for storage.

生产（出厂）日期超过 90 天的锰硅不允许入库。

Ferrosilicon with the production date exceeding 90 days shall not be allowed to enter the warehouse.

第七十三条 重量验收采用过地磅方式进行。

Article 73 The weight inspection shall adopt the method of weighing the whole vehicle with weighbridge in the warehouse.

第七十四条 质量验收：入库锰硅的采样、制样、质检以及粒度检测由质检机构负责，按有关国家标准执行，仓库应予协助，质检机构检验费用及相关仓库配合检验费用由货主承担。

Article 74 Quality checking: Inspection institute shall responsible for the sampling, sampling preparation, inspection and particle size measurement in accordance with

national standards. Warehouse shall give assistance. The owner shall bear the costs and expenses caused by institution inspection and warehouse assistance.

第七十五条 自完成采样之日起 7 个工作日内，质检机构应当出具检验结果，并及时通知仓库。

Article 75 After sampling, the inspection shall issue the inspection results and notify the warehouses within 7 working days.

第七十六条 锰硅包装因取样损坏的，仓库应按相应国家标准重新灌包，所需包装物由客户提供，灌包费用由客户承担。

Article 76 In case that the package of manganese silicon is damaged in the process of sampling, the warehouse shall repackage it in accordance with national standard. The required package shall be provided by client and the cost shall be borne by the client.

第五章 标准仓单及中转仓单注册

Chapter 5 Registration of Standard Warrants and Transit

Warehouse Warrants

第一节 仓库仓单注册

Section 1 Registration of Warehouse warrants

第七十七条 自出具或者接到质检机构的检验结果之日起 1 个工作日内，仓库或中转仓库对检验结果进行确认并通知货主。对于质量符合交割规定的货物，货主无异议的，自通知货主之日起 2 个工作日内，仓库或中转仓库应当向交易所申请注册仓库仓单或中转仓单。

Article 77 The warehouse or transit warehouse shall confirm the results and notify the owner within 1 working day after the inspection results have been issued or received from inspection institute. As to the commodities whose quality complies with the delivery regulations without any disagreement from owners, the warehouse or transit warehouse shall apply for the registration of the standard warrants or transit warehouse warrants to ZCE within 2 working days since the owners are notified.

中转仓单对应的货物从中转仓库运至仓库，经验收合格后 2 个工作日内，仓库应当向交易所申请将中转仓单转为标准仓单。

When goods of transit warehouse warrants are transported to the warehouse and qualified in inspection, within two days after the inspection, warehouse shall apply for changing the transit warehouse warrant into standard warrants from ZCE.

每年的 8 月 1 日之前不得申报注册二级白糖仓单。

It shall not be allowed to apply for the registration of the standard warrants of grade 2 of white sugar before August 1st every year.

第七十八条 交易所可在自仓库提出仓单注册申请之日起 7 个工作日内予以注册。

Article 78 ZCE can approve the registration within 7 working days after the warehouses submit the application for the registration of standard warrants.

第七十九条 自交割月最后交易日（强麦、白糖、菜油为第 5 个交易日）下午 3 时起，交易所不再受理仓库提出的用于当月交割的仓库仓单注册申请。该日下午 3 时以后的注册申请所形成的标准仓单可以参与后续月份交割。

Article 79 Starting from 3 p.m. of the last trading day (the fifth trading day in the case of strong gluten wheat, white sugar and rapeseed oil) of the delivery month, ZCE shall not accept any registration application for warehouse warrants used in the same month's delivery. The standard warrants registration after 3 p.m. of the day can participate in the delivery of the following months.

交易所规定的可予质量免检的商品用于期货交割的，最迟应当在合约最后交易日前一日申请注册。

According to ZCE's regulations, the commodity which can be given an exemption from the inspection and used for futures delivery shall be applied for registration no later than the day before last trading day.

第八十条 3 月、7 月、11 月第 12 个交易日之后（含该日）注册的菜粕标准仓单，货物生产日期须分别为 3 月 1 日、7 月 1 日、11 月 1 日之后（含该日）。注销后，符合规定的菜粕可以重新注册。

Article 80 The standardized warrants of rapeseed registered after the 12th trading day in March, July and November (including the day), the production date of the goods shall be after March 1, July 1, November 1 (including the day) respectively. After cancelling the standard warrants, the rapeseed meal conforming to the regulations can be registered again.

第二节 厂库仓单注册

Section 2 Registration of Factory Warrants

第八十一条 非期货公司会员或客户与厂库结清货款等费用后，厂库通过交易所仓单注册注销系统提交仓单注册申请。动力煤厂库仓单注册时，厂家应提交收到基低位发热量等货物信息，交易所以此信息作为仓单注册标准的依据和货款计算的参考。

Article 81 After the non-brokerage members or clients have settled the relevant expenses with the factory, the factory shall submit the registration application of warrants through ZCE E-warrants system. When the thermal coal factory warrants are registered, goods information about medium low heat shall be provided by the factory, the information shall be used by ZCE as the basis for warrants registration standard and references for calculating the payment on goods.

第八十二条 厂库申请仓单注册时，必须提供交易所认可的银行履约保函、现金或交易所认可的其他支付保证方式。

Article 82 When the factory is applying for the registration of warrants, it shall provide the bank guarantee letter, cash or other payment guarantees recognized by ZCE.

厂库提交的保证金数额按照最近交割月合约前一交易日结算价计算。

The value of margin paid by the factory shall be calculated according to the clearing price of the previous trading day of the nearest contract month.

第八十三条 厂库最迟应当在合约交割月最后交易日前三个交易日下午 3 时前提交仓单注册申请。厂库提交的支付保证方式符合规定的，交易所可在自厂库提出仓单注册申请之日起 3 个工作日予以注册。

Article 83 The factory shall submit the application for the registration of standard warrants no later than 3 p.m. of 3 trading days before last trading day. In case that the payment guarantee submitted by the factory complies with regulations, ZCE shall

approve the registration within 3 working days as of factory submits the applications.

第八十四条 单个厂库允许注册仓单的最大数量，由交易所确定和调整。

Article 84 The maximum amount of warrants allowed to be registered for each factory shall be determined and adjusted by ZCE.

第八十五条 当商品市值发生较大波动时，交易所可根据市场变化情况要求厂库调整银行履约保函、现金或交易所认可的其他支付保证方式的数额。

Article 85 When the market value of the commodity fluctuates greatly, ZCE may require the factory to adjust the amount of bank guarantee letter, cash or other payment guarantees recognized by ZCE according to the situation of futures market.

第六章 标准仓单及中转仓单的有效期

Chapter 6 Validity Period of Standard Warrants and Transit

Warehouse Warrants

第八十六条 各品种标准仓单、中转仓单有效期分别如下：

Article 86 The validity periods of standard warrants and transit warehouse warrants for all products shall be as follows:

仓单普麦、强麦：每年 9 月的最后一个工作日。

Warrants common wheat, strong gluten wheat: the last working day of September for each year.

一号棉：N 年生产的棉花注册的标准仓单、中转仓单，有效期至 N+2 年 3 月的最后一个工作日。

No.1 cotton: The registered standard warrants and transit warehouse warrants of the cotton produced in year N shall expire on the last working day of March in year N+2.

白糖: N 制糖年度(每年的 10 月 1 日至次年的 9 月 30 日)生产的白糖所注册的标准仓单有效期为该制糖年度结束后当年 11 月份的最后一个工作日(含该日)。

White sugar: The validity period of the registered standard warrants of white sugar produced in year N (from October 1st to September 30th of next year) shall be till the last working day (including the day) of the first November after year N.

菜籽: N 年 6 月 1 日起接受菜籽标准仓单注册, 仓单有效期至 N 年 11 月份最后一个工作日(含该日)。

Rapeseed: The rapeseed standard warrants shall be registered starting from June 1 of Year N, the registered standard warrants shall be valid until the last working day of November of Year N (including the day).

菜粕: 每年 3 月、7 月、11 月第 12 个交易日(不含该日)之前注册的标准仓单, 应在当月的第 15 个交易日(含该日)之前全部注销。

Rapeseed meal: The standard warrants registered before the twelfth trading day (excluding the day) of March, July and November each year shall be totally cancelled before the fifteenth trading day (including the day) of the same month i.e. March, July, and November respectively.

菜油: N 年 6 月 1 日起注册的菜油标准仓单有效期至 N+1 年 5 月份最后一个工作日(含该日)。

Rapeseed oil: The standard warrants registered from June 1 in year N shall expire on the last working day (including the day) of May in year N+1.

PTA: 每年 9 月第 12 个交易日(不含该日)之前注册的 PTA 标准仓单, 在该月第 15 个交易日(含该日)之前全部注销; 该月第 16 个交易日(含该日)之后开始受理新仓单的注册申请。

PTA: The standard warrants registered before the 12th trading day (excluding the day) of each September shall be cancelled before the 15th trading day (including the day) of same month i.e. September; new applications for standard warrants registration shall be accepted as of the 16th trading day (including the day) of the month,

早籼稻: N 年 8 月 1 日起注册的标准仓单, 有效期至 N+1 年 7 月份最后一个工作日(含该日)。

Early indica rice: Standard warrants registered starting from August 1 in year N shall

expire on the last working day (including the day) of July in year N+1.

晚籼稻、粳稻：N 年 10 月 1 日起注册的标准仓单，有效期至 N+1 年 9 月份最后一个工作日（含该日）。

Late indica rice, Japonica Rice: Standard warrants registered starting from October 1 in year N shall expire on the last working day (including the day) of September in year N+1.

甲醇、玻璃：每年 5 月、11 月第 12 个交易日（不含该日）之前注册的标准仓单，应在当月的第 15 个交易日（含该日）之前全部注销。

Methanol, glass: The standard warrants registered before the 12th trading day (excluding the day) of May and November every calendar year shall be cancelled before the 15th trading day (including the day) of the same month.

动力煤：每年 5 月、11 月第 7 个交易日（不含该日）之前注册的标准仓单，应当在当月的第 10 个交易日（含该日）之前全部注销。

Thermal Coal: The standard warrants registered before the 7th trading day (excluding the day) of May and November every calendar year shall be cancelled before the 10th trading day (including the day) of the same month.

硅铁：每年 2 月、6 月、10 月第 12 个交易日（不含该日）之前注册的厂库和仓库标准仓单，应在当月的第 15 个交易日（含该日）之前全部注销。

Ferrosilicon: The standard warrants registered before the 12th trading day (excluding the day) of February, June and October shall be cancelled before the 10th trading day (including the day) of the same month.

锰硅：每年 2 月、6 月、10 月第 12 个交易日（不含该日）之前注册的厂库标准仓单，应在当月的第 15 个交易日（含该日）之前全部注销；每年 10 月第 12 个交易日（不含该日）之前注册的仓库标准仓单，应在当月的第 15 个交易日（含该日）之前全部注销。已经注销的锰硅仓库标准仓单，货物尚未出库且生产（出厂）日期仍符合注册条件的，可重新申请免检注册。

Manganese Silicon: The standard warrants registered before the 12th trading day (excluding the day) of February, June and October shall be cancelled before the 15th trading day (including the day) of the same month. The standard warrants for manganese silicon, which have been cancelled and whose underlying commodities are still stocked in the warehouse and conforms to the relevant registration standards of production date, can be reapplied for the registration without inspection.

玻璃出库重量按标准厚度折算。

The weight of glass shall be converted according to the standard thickness during departure.

动力煤交收时, 重量溢短范围适用《郑州商品交易所期货交割细则》“车(船)板交割”相关规定。

The scope of the underweight or overweight applies to the relevant regulations of the

thermal coal delivery on vehicle (ship) board in Detailed Rules for Implementation of Bonded Delivery of Zhengzhou Commodity Exchange .

硅铁、锰硅在交割仓库交货，称重由交割仓库负责，费用由厂库承担；在其他地点交货的，称重实施及费用分担由厂库与货主协商确定。

When delivering ferrosilicon and manganese silicon, the warehouse shall be in charge of weighing and the factory shall bear the cost; when delivering in other places, the factory and owner shall be responsible for weighing and cost respectively through negotiation.

玻璃、动力煤、硅铁、锰硅之外的其他品种重量验收由提货人与厂库共同实施，以厂库检重为准，足量出库。

The weight inspection of products other than glass, thermal coal, ferrosilicon and manganese silicon shall be implemented by both the owner and the factory. Check and acceptance of weight shall be subject to the weight checked by the factory; the weight shall be sufficient when the products depart from the factory.

玻璃每次提货（指一张提货单）的溢短不超过一个包装单位（架），由买方决定，溢短部分由双方自行结算，结算价格参考最近交割月交割结算价。

The overweight or underweight of glass shall not exceed one package unit (shelf) for each delivery (refers to one piece of Delivery Note), which shall be decided by the buyer. The amount of overweight and underweight shall be settled by both parties themselves. The clearing price shall refer to the delivery clearing price of the nearest delivery month.

玻璃、动力煤之外的其他品种出库数量发生短少的，厂库应及时补足。不能补足的，厂库按《提货通知单》开具日（含当日）之前该品种期货最近交割月最高交割结算价核算短少商品价款，赔偿货主。

If the quantity of products other than glass and thermal coal has a loss that caused a shortage when they depart from the factory, the factory shall make up the loss promptly. If the shortage cannot be supplied in time, the factory shall calculate the amount of commodities in shortage according to the highest delivery clearing price of the futures contract in the latest delivery month before the date of issuing Delivery Note (including the issuing day) and make compensation for the owner.

提货人在货物交收时应到交收地点监发，未到场监发的，视为对货物重量没有异议。

The person to pick up commodities shall present in the factory to supervise the whole process of departure. If he/she is not present, it shall be deemed as that he/she has no

objection about the weight of commodities.

第一百二十三条 厂库交割商品质量验收按照以下规定执行：

Article 123 The quality inspection of factory delivery commodity shall be implemented according to the following rules:

玻璃出库时厂库向货主提供《质量合格证书》。

The factory shall provide the Quality Certificate to the owners during the departure of glass.

硅铁、锰硅交货时，厂库向货主提供符合交割标准《产品质量证明书》。

When delivering ferrosilicon and manganese silicon, the factory shall provide the owners with the Quality Certificate.

动力煤交收时，质量检验适用《郑州商品交易所期货交割细则》“车（船）板交割”相关规定。

Quality inspection shall apply to the relevant regulations of delivery on vehicle (ship) board delivery in Detailed Rules for Futures Delivery of Zhengzhou Commodity Exchange on Vehicle (Ship) Board when the thermal coal is delivered.

晚籼稻、粳稻出库时，厂库应与货主共同抽取样品，货主对检验结果无异议的，厂库方予发货。货物实际质量指标与仓单标示质量指标不一致但在交易所规定的质量差异允许范围内的，客户应当接受，质量差异升贴水由厂库与客户按照交易所规定的标准自行结算。

The samples shall be taken by the factory and owner together during the departure of late indica rice and japonica rice. In case that the owner has no disagreement from the owner on the result of examinations, the factory shall dispatch the goods. In case the actual quality index of the goods is not consistent with the quality index labeled on the warrants, but it is within the allowed range of quality difference stipulated by ZCE, the clients shall accept the goods. The premium and discount of quality difference shall be settled by the factory and clients themselves according to the regulations of ZCE.

玻璃、动力煤、晚籼稻、粳稻、硅铁、锰硅之外的其他品种出库时，厂库应在提货人监督下在货物装运到买方运输工具前进行抽样，经双方确认后共同封样。样品一式三份，一份由货主保存，两份由厂库保存，厂库应将样品保留至发货后30个日历日，作为发生质量争议时的处理依据。

As to the departure of products other than glass, thermal coal, late indica rice,

japonica rice, ferrosilicon, and manganese silicon, the factory shall sample the commodity under the supervision of the person who picks up commodities before the commodity is transferred to the buyer's transport vehicles; then the sample can be sealed by the confirmation of both parties. The sample shall be prepared in triplicate; one shall be kept by the owner, and the other two copies shall be kept by the factory. The factory shall keep it for 30 calendar days once the commodities have been sent out and treat it as the basis to deal with disputes.

厂库须保证期货商品的质量符合交易所规定的交割标准，双方协商一致的除外。

The factory shall guarantee that the quality of commodity conforms to the delivery standard of ZCE except that both parties have reached an agreement.

第一百二十四条 货主办理提货手续时，应就发货速度及最后完成出库时间与厂库协商一致，协商不成的，厂库应按照交易所批准的日发货速度发货。

Article 124 In the process of handling pick-up formalities, the owner shall make an agreement with the factory on delivery speed and final completion time of departure. If both parties fail to reach an agreement, the factory shall deliver the commodity according to the daily delivery speed approved by ZCE.

第一百二十五条 多个货主同时提货时，厂库可按货主预约时间及办理提货手续的先后顺序等合理安排发货。

Article 125 In case that several owners pick up goods at the same time, the factory can arrange the delivery order according to the priority of appointments by owners and the sequence of handling the pick-up formalities.

第一百二十六条 厂库或货主因故不能按照约定的发货计划发货或提货的，双方应及时协商并妥善调整发货速度或发货计划，并且过错方应付滞纳金。动力煤滞纳金由买卖双方协商解决。动力煤之外的其他品种滞纳金 = 5 元/吨 × 按日发货计划应发未发或应提未提的商品数量 × 该批商品的滞留天数。

Article 126 In case that the factory or the owner fails to deliver or take commodities in time according to the original delivery plan for some reasons, both parties shall consult with each other in time and adjust the delivery speed as well; and the party in default shall pay the overdue fine accordingly. The overdue fine shall be negotiated between the buyer's and the seller's. The formula for the calculation of overdue fine shall be as follows other than thermal coal: 5 yuan/ton × quantity of undelivered or untaken × delayed days of these commodities.

因厂库原因在约定的最后发货日起 5 个日历日内仍不能完成所有商品发货的，货主可要求厂库终止发货并支付赔偿金。

In case that the factory still fails to deliver all the commodities within 5 calendar days after the last day of shipping according to delivery plan, the owner may request to terminate the delivery and ask for the indemnification.

赔偿金额 = 该品种期货最近交割月最高交割结算价 × 按商品总量应发而未发的商品数量 × 120%。

The amount of indemnification shall be as follows: the highest delivery clearing price of the contract in the latest delivery month × quantity of undelivered commodities × 120%.

当厂库发生违约行为时，首先由厂库向货主支付赔偿金。厂库未支付或支付数额不足的，交易所可动用厂库交存的银行履约保函、现金或交易所认可的其他支付保证方式予以清偿。

When the default behavior is conducted by factory, the factory shall pay the indemnification to the owner first. In case that the factory fails to pay the indemnification or the payment is insufficient, ZCE can pay off by using the bank guarantee letter deposited by factory, cash or other payment guarantees approved by ZCE.

第一百二十七条 因天气原因及其他不可抗力因素导致无法发货或提货时，厂库和货主不需支付赔偿金。

Article 127 In case that the delivery or pick-up cannot be performed due to the weather or other force majeure, factory and owner shall not pay for indemnification.

厂库和货主应妥善保管商品发货计划书、协商确认书、发货和提货单据，作为解决纠纷的依据。

The factory and the owner shall well keep the Commodity Delivery Plan, Consultation Confirmation, and Delivery Note in order which shall be used as the basis for the settlement of the disputes.

第十一章 入库和出库复检

Chapter 11 Entry and Departure Re-inspection

第一节 仓库商品入库复检

Section 1 Re-inspection of Warehouse Entry

第一百二十八条 货主或者交割仓库对入库检验结果（强麦除外）有异议的，应当自收到检验结果之日起3个工作日内向交易所书面提出复检申请，并预交复检费用。

Article 128 If any cargo owners or warehouse have any dissent with respect to the inspection result in the entry process(excluding strong wheat), they shall submit an application for re-inspection in written form to ZCE within 3 working days once receiving the inspection result, and prepay the re-inspection fee.

复检仅限于复检申请方提出的有异议的项目。

The re-inspection shall only be limited to the items put forward by the applicant of re-inspection.

未在规定时间内提出复检申请的，视为同意检验结果。

In case that any party fails to submit re-inspection application within the stipulated time, it shall be deemed as the acceptance of the inspection result.

第一百二十九条 白糖、PTA 和甲醇复检机构为原质检机构，交易所可调换或增加质检人员。

Article 129 The re-inspection institution of white sugar, PTA and methanol is the original inspection institution; ZCE can replace or add inspection personnel to re-inspect quality accordingly.

交易所同意由仓库检验的仓单普麦、强麦质量指标，复检机构由交易所指定。

ZCE approves that the quality index of warrant common wheat and strong gluten wheat shall be inspected by the warehouse, and the quality institution for re-inspection shall be appointed by ZCE.

菜籽、菜油、菜粕、早籼稻、晚籼稻、粳稻复检机构由货主和仓库协商确定，协商不成的，由交易所指定。

The quality re-inspection institution for rapeseed, rapeseed oil, rapeseed meal, early indica rice, late indica rice and japonica rice shall be negotiated and determined by the warehouse and the owner; if the negotiation is not successful, the re-inspection

institute shall be appointed by ZCE.

第一百三十条 由交易所指定复检机构的品种,复检样品由复检机构重新扦(采)取,仓库应予以配合。复检机构应当自扦(采)样完毕次日起3个工作日内作出复检结果(如样品量较大,可适当延迟),并将复检结果书面通知交易所,交易所通知异议方。

Article 130 As to the products which re-inspection is carried out by institutions appointed by ZCE, the samples for re-inspection shall be re-taken by the designated inspection institution and the warehouse shall assist and cooperate with inspection institution in the process. The re-inspection institutions shall issue the re-inspection result within 3 working days from the day after the completion of sampling (the period may be appropriately delayed if the amount of samples is large) and notify ZCE in written form. Then ZCE shall notify the initiating party accordingly.

复检机构为原质检机构的品种,复检机构只对其保留的样品进行复检,不再重新扦(采)样。复检机构自收到交易所复检通知之日起4个工作日内,应当作出复检结果,并将复检结果书面通知交易所,交易所通知异议方。

As to the product re-inspected by the same institution as the original institution, the re-inspection institutions shall only re-inspect the samples they have kept. Re-inspection institutions shall issue the re-inspection result within 4 working days and notify ZCE in written form, and then ZCE shall notify the initiating party.

复检结果为解决争议的依据。

The re-inspection result shall be deemed as the basis for the settlement of disputes.

第一百三十一条 由交易所指定复检机构的品种,复检结果与仓库原检验结论一致的,由货主承担相关费用(检验费、抽样费、差旅费、交通费等。下同);复检结果与仓库原检验结论不一致的,相关费用由仓库承担。

Article 131 As to the products which re-inspection is carried out by re-inspection institutions appointed by ZCE, in case that the re-inspection result is consistent with the original inspection result of warehouses, cargo owners shall pay the relevant fees (including inspection fee, sampling fee, travel expense, traffic fare, the same below); otherwise, warehouses shall pay relevant fees instead of owners.

复检机构为原质检机构的品种,复检结果与原检验结论一致的,由复检申请方承担相关费用;复检结果与原检验结论不一致的,相关费用由质检机构承担。

As to the product re-inspected by the same institution as the original institution, in case that the re-inspection result is consistent with the original inspection result, the applying party of re-inspection shall pay the relevant fees. Otherwise, inspection

institutions shall pay relevant fees for re-inspection.

第一百三十二条 一号棉入库复检按《期货交割棉公证检验实施办法（试行）》执行。

Article 132 The re-inspection for No.1 cotton shall be implemented in accordance with Measures for the Implementation of Notary Inspection on Delivery of Cotton Futures (Trial).

第二节 仓库商品出库复检

Section 2 Re-inspection of Warehouse Departure

第一百三十三条 自《提货通知单》开具之日起 10 个工作日内，仓单持有人对商品质量有异议的，可向交易所申请一次复检，并预交复检费用。

Article 133 If any holder of standard warrants has any objection regarding the quality of commodities, he/she may apply for re-inspection to ZCE once and prepay the re-inspection fee within 10 working days after the Delivery Note is issued.

未在规定时间内提出异议的，视为确认出库商品质量。

If any party fails to submit any objection to ZCE within the stipulated period, it shall be deemed as the acceptance of the quality of commodities.

第一百三十四条 复检仅限于复检申请方提出的有异议的项目。

Article 134 The re-inspection shall only be limited to the items raising disputes.

由仓库检验的项目，参照入库复检进行；由质检机构检验的项目，由交易所指定的质检机构进行复检。

For the items inspected by warehouses, please refer to the instruction of re-inspection in the entry process; for the items inspected by inspection institutions, the re-inspection process shall be carried out by inspection institutions designated by ZCE.

复检结果为解决争议的依据。

The re-inspection result shall be deemed as the basis for the settlement of disputes.

第一百三十五条 交易所不受理超出规定时间或者已经出库的交割商品的质量和数量复检，不承担由此产生的一切责任。

Article 135 ZCE shall not accept the quantity/quality re-inspection application if it is beyond the stipulated period or if the delivered commodities have been already dispatched, and ZCE shall not assume any resulting responsibility.

第一百三十六条 自收到书面异议之日起 2 个工作日内，交易所通知仓库。复检机构在仓库协助下重新扦（采）样，样品经三方共同认可后封样。复检结果由交易所通知会员与仓库。

Article 136 Within 2 working days after receiving written objection, ZCE shall notify warehouses. Re-inspection institutions shall re-sample with the assistance of warehouses, the samples shall be sealed after being recognized by three parties. ZCE shall notify the members and warehouses the re-inspection result.

复检结果符合交易所出库规定的，复检及相关费用由复检申请方承担。复检结果不符合出库规定的，复检及相关费用由过错方承担。

If the re-inspection result complies with the rules of ZCE for departure, relevant re-inspection fees shall be borne by the applicant. Otherwise, the relevant re-inspection fees shall be borne by the party in default.

第一百三十七条 复检结果不符合出库规定的，在双方约定或者规定的出库时间内，仓库或者标准仓单转让人可以用符合出库规定的商品调换，提货方不得拒收。商品调换不得影响商品及时出库，调换增加的运输、检验等费用由仓库或者标准仓单转让人承担。调换后商品的出库按交割商品的有关规定执行。

Article 137 If the re-inspection result fails to conform to the regulations concerning departure, warehouses or assignors of standard warrants may replace them with commodities that conform to the departure regulations within the stipulated period agreed by both parties, persons to pick up commodities shall not refuse to accept these commodities. The replacement of commodities shall not affect the timeline of commodities departure. Transport and inspection fees caused by the replacement shall be borne by warehouses or assignors of standard warrants. Departure after replacement should be in accordance to relevant rules of delivery products.

第一百三十八条 仓库或者标准仓单转让人未能用符合出库规定的其他商品调换，仓库或者标准仓单转让人可以与客户（提货方）协商处理。

Article 138 If warehouses or assignors of standard warrants fail to replace with other commodities that conform to the departure rules, warehouses or assignors of standard warehouse warrants may negotiate with clients (the party to pick up commodities).

协商无法达成一致的，按以下规定执行：

If the agreement cannot be reached through negotiation, the following rules shall be implemented:

（一）仓库或者标准仓单转让人须及时对不合格的交割商品加工处理以达到出库规定，并承担补偿责任。补偿金额按照该品种期货最近交割月最高交割结算价的3%计算。加工处理且补偿后，客户（提货方）不得拒绝接受商品。

(1) Warehouses or assignors of standard warrants shall timely process the unqualified commodities to meet the rules of departure and shall bear the compensation responsibility. The compensation amount shall be calculated based on 3% of the highest delivery clearing price in the latest delivery month. After the processing and compensation, clients (consignees) shall not refuse to accept the commodities.

（二）无法加工处理或者加工处理后仍不能达到出库规定的，仓库或者标准仓单转让人承担赔偿责任，赔偿金额按照该品种期货最近交割月最高交割结算价的120%计算，货物归仓库或标准仓单转让人所有。

(2) If the commodities cannot be processed or still cannot meet the regulations of departure after processing, warehouses or assignors of standard warrants shall take the compensation responsibility. The amount of the compensation shall be calculated based on 120% of the highest delivery clearing price for the corresponding product in the latest delivery month, and the commodities shall belong to warehouses or assignors of standard warrants.

第一百三十九条 一号棉复检按照棉花国家标准和《期货交割棉公证检验实施办法（试行）》执行。

Article 139 The re-inspection of No.1 cotton shall be carried out in accordance with the national standards of cotton and Measures for the Implementation of Notary Inspection on Delivery of Cotton Futures (Trial).

第三节 厂库商品出库复检

Section 3 Re-inspection of Factory Departure

第一百四十条 货主或厂库对交割商品重量、质量有异议的，首先与厂库协商解决。协商不成的，可向交易所申请一次复检，并预交复检及相关费用。

Article 140 If the owner or the factory has disagreements with the weight and quality

of commodities, the owner shall negotiate with the factory first to solve the problem. If the negotiation does not work, the owner may apply for re-inspection to ZCE once and pay the relevant fees in advance.

重量异议，应在货物出库前或交货时提出。

Disagreement with weight shall be raised before the departure or delivery process.

质量异议：玻璃、晚籼稻、粳稻应在货物出库前提出；动力煤应在收到质检报告之日起 5 个工作日内提出；其他品种应在货物出库或交货之日起 5 个工作日内提出。

Objections on the quality of glass, late indica rice and japonica rice shall be raised before the departure of the goods: objections on the quality of thermal coal shall be raised within 5 working days after receiving the report on quality inspection. Objections on the quality of other products shall be raised within 5 working days from the day of departure or delivery .

未在规定时间内提出异议的，视为确认出库商品的重量或质量。

In case that no disagreements are raised within stipulated time, it can be deemed as the confirmation of weight or quality of commodities in the departure process.

第一百四十一条 动力煤复检项目适用《郑州商品交易所期货交割细则》“车(船)板交割”相关规定。动力煤之外的其他品种复检仅限于复检申请方提出的有异议的项目。

Article 141 Thermal coal re-inspection shall applies to the relevant regulations of vehicle (ship) board delivery of Detailed Rules for Futures Delivery of Zhengzhou Commodity Exchange. The re-inspection of products other than thermal coal shall be only limited to items raising disputes.

复检由质检机构进行。复检机构由交易所指定并公告。

Re-inspection shall be carried out by the inspection institution. The inspection institution shall be appointed and announced by ZCE.

甲醇、动力煤复检样品仅限于保留样品。

Sample of methanol and thermal coal for re-inspection shall be only limited to the preserved samples.

玻璃、晚籼稻、粳稻复检对象为申请方提出质量异议的对应货物。

The glass late indica rice, and japonica rice needed to be reinspected shall refer to the commodities raising objections to the quality.

复检结果为解决争议的依据。

Result of re-inspection shall be the basis for solving disputes.

第一百四十二条 交易所不受理超出规定时间的交割商品的质量复检，不承担由此产生的一切责任。

Article 142 ZCE shall not accept any application for quality and quantity re-inspection of delivery commodities that is beyond the stipulated time, and shall not bear any resulting responsibility.

复检结果符合交割规定的，复检及相关费用由复检申请方承担。

If the results of re-inspection conform to the delivery rules, the relevant fees of re-inspection shall be borne by the applicant of re-inspection.

复检结果不符合交割规定的，复检及相关费用由厂库承担。由此造成的损失由厂库与货主协商处理，双方协商无法达成一致的，厂库应承担赔偿责任，赔偿金额=该品种期货最近交割月最高交割结算价×复检不符合交割规定的商品数量×120%，对应的货物归厂库所有。

In case that the results of re-inspection fail to conform to the delivery rules, the relevant fees of re-inspection shall be borne by the factory. The loss incurred shall be solved through the negotiation between the factory and the owner. In case that both parties fail to reach an agreement, the factory shall bear the liability of compensation; compensation amount= the highest delivery clearing price of the futures contract in the latest delivery month × quantity of commodities which fails to conform to the delivery regulations after re-inspection × 120%; the corresponding commodities shall be owned by the factory.

第十二章 监督、争议和处理

Chapter 12 Supervision, Disputes and Settlement

第一百四十三条 交易所有权对用于期货交割的商品进行抽查。

Article 143 ZCE shall have the authority to carry out the spot check on commodities used for futures delivery.

对期货交割商品抽查不合格的不予注册。

Commodities failing to pass the check shall not be allowed to be registered.

对已经注册成仓单的商品质量和数量抽查中发现质量不合格或者数量有差额的，责成仓库、厂库或仓单持有人采取限期提供足量、合格商品等补救措施，由此发生的一切费用和损失由仓库或者仓单持有人承担。出现违规行为的，交易所按规定对违规者进行处罚。

In case that any commodities that have been registered as warrants successfully are found that they are unqualified quality or insufficient quantity by spot-check, warehouses, factory or holders of standard warrants shall take remedies by providing sufficient and qualified commodities within a limited period. All fees and losses incurred shall be borne by warehouses or the holders of standard warrants. In case that there is any violation of rules, ZCE shall punish the violators in accordance with its rules.

第一百四十四条 标准仓单转让人与受让人（提货方）之间、客户与仓库或厂库及仓单质量免检承诺人之间产生交割纠纷的，双方可先行协商解决；协商无法达成一致意见的，应当在纠纷发生之日起5个工作日内以书面形式向交易所申请调解。调解不成的，依法向人民法院起诉或者依约向仲裁机构申请仲裁。

Article 144 In case that there are any disputes between assignors and assignees (the party to pick up commodities) of standard warrants or any disputes between clients and warehouses or factories, both parties shall settle the dispute through negotiation first; in case that both parties cannot reach an agreement, the arbitration application in written form shall be submitted to ZCE within 5 working days after the occurrence of the dispute. In case that the dispute still cannot be settled through arbitration, the parties may bring a lawsuit at the people's court in accordance with law or apply to arbitration institutions for arbitration.

第一百四十五条 交割商品出库时，对交割商品的质量和数量发生争议的，交易所按本办法规定对责任归属进行确认，最终责任由责任方承担。

Article 145 In case that there are any disputes on the quality and quantity of delivery commodities in the departure process, ZCE shall determine which party shall be

responsible in accordance with these measures herein and the final responsibility shall be assumed by the responsible party.

第一百四十六条 仓库、厂库或标准仓单转让人不能向客户（提货方）交付符合合约出库规定标准的商品，造成客户（提货方）损失的，应当承担赔偿责任。仓库或厂库不能履行其债务时，交易所仅对交割商品的重量和质量承担相应补充赔偿责任。

Article 146 In case that warehouses, factories or assignors of standard warrants fail to deliver to clients (consignees) the commodities conforming to the standards stipulated in the contract and thus cause losses for clients (consignees), they shall take the responsibility of compensation. If warehouses or factories fail to perform their liabilities, ZCE shall only take the responsibility for supplementary compensation of delivery commodities' weight and quality.

第一百四十七条 厂库发货完毕，经交易所书面确认无数量、质量责任，经厂库申请，交易所退还现金或交易所认可的其他支付保证方式。

Article 147 After the factory completes the delivery and is confirmed by ZCE that it have no liabilities on quantity and quality in written form, ZCE shall return the cash or other recognized payment guarantees to the factory accordingly after receiving factory's application.

附则

Supplementary Provisions
