VI Announcements

ZCE's Announcement on Matters Related to 2409 Contract of Thermal Coal

Futures

(2023) No. 81

After research and decision, matters related to the thermal coal futures 2409 contract are announced as follows:

1. The standard of trading margin and price limits.

The trading margin standard is 50%, and price limit is 10%. If the trading margin standard and price limit implemented in accordance with the rules are higher than the above-mentioned standards, the original provisions shall still be followed.

2. Trading limit.

The maximum number of open positions in a single day is 20 lots. The number of open positions in a single day refers to the sum of the number of bought and sold on a single contract by non-futures company members or clients. The maximum number of single day open positions in the actual control relationship account group is carried out on the basis of a single customer. The number of open positions in hedging transactions and market-making transactions is not limited by the trading limit.

For non-futures company members or clients who exceed the trading limit for the first time, Zhengzhou Commodity Exchange will take regulatory measures to suspend the opening of positions for 5 trading days. Cumulatively exceeding the transaction limit twice, ZCE will take regulatory measures to suspend the opening of positions for no less than one month. If the circumstances are serious, they shall be dealt with in accordance with the relevant provisions of the Measures for Penalties for Violations of Zhengzhou Commodity Exchange.
